Together We Learn

April 28, 2025

Dear Volunteers,

In celebration of Volunteer Appreciation Week (April 27-May 3, 2025), the Board of Education extends our heartfelt gratitude to each of you who generously give back to our community, by investing in our society's most precious resource, our youth. Across our school district, your dedication and generosity ensure students receive the extra help, opportunities, and joy they need to grow and thrive.

Every day, we see the incredible impact of your contributions on the development of lifelong learners. Whether you are able to share your time and talents in big or small ways, you enrich the lives of our students immeasurably. Each effort makes a significant difference, and we cannot thank you enough.

As parents and school trustees, we know you change lives for the better. From early reading sessions to graduation experiences, the results of your help are inspiration, skills, and memories learners will carry for their entire lives.

Martin Luther King Jr. once said, "*Life's most persistent and urgent question is, 'What are you doing for others?'*" We are eternally grateful you found the answer in our schools.

As we could never repay you, we humbly say: Thank you.

Sincerely,

Julia Fraser
Chair, Board of Education
